

Amazon film reviews (Number 1)

The following are actual film reviews from Amazon customers. Name the film from the review!

1	This was the most unrealistic load of crap that one could ever see in their life. Time travel is only possible at 180,000 miles per second, not 88 miles per hour"	Back to the future (1985)
2	"I am 35 and have witnessed 7 sharks destroyed by being blown up. The shark was blown up at the end of the film and wasn't very realistic".	Jaws (1975)
3	"It's hard to believe that a hotel that size in Colorado would close in the winter with all the skiing business"	The Shining (1980)
4	"Took my 6 and 8-year-old to see this, they were crying and scared all night. Now they think Ironman is going to stab them with a sword when they are sleeping"	Deadpool (2016)
5	"Oh yeah, a boat this big could really sink"	Titanic (1997)
6	"This has the potential to be a 5-star movie but loses a star because Daffy Duck is underutilised"	Space Jam (1996)
7	"Penguins shouldn't talk"	Happy feet (2006)
8	"There were no wolves in this movie"	The Wolf of wall street (2013)
9	"Boy drinks wolves milk and baby elephant had a haircut like a man"	The Jungle book (1967)
10	"Thought Channing and Jamie were holding hands on the cover, was expecting something a little more sensual"	White house down (2013)
